Financial Policy

Thank you for choosing Cataldo Family Dentistry as your oral health care provider. We believe in the importance of quality dental care. We strive to provide the best dental treatment possible. Our primary goal is that you receive the optimal treatment needed to restore and maintain your dental health.

Payment is due at the time services are rendered. If you have dental insurance, you are expected to pay your estimated deductible and co-insurance at the time of service. We accept cash, personal check, money order, Visa, Master Card, and American Express. We also offer easy, interest free payment options through Care Credit. Ask us for details.

Your insurance policy is a contract between you and your insurance company. We are not a party to that contract. As a courtesy, we will submit your claims to your insurance company for you and assist you in maximizing your benefits. However, you are responsible for the bill, regardless of your insurance coverage.

If you did not bring your insurance card to your appointment today, and you are an established patient, we will use the insurance information Cataldo Family Dentistry has on file. If your insurance coverage is not in effect for this date of service, you agree to accept responsibility for the charges in full.

In order to serve you better we request a 48 hour notice to cancel or reschedule an appointment. We reserve the right to charge a fee when people fail to keep their scheduled appointments. Further action may be taken for repeated failed appointments.

We mail monthly statements to all patients with an outstanding balance. Unpaid balances over 60 days will be assessed an 18% annual finance charge. If your account becomes over 90 days past due, you may be contacted by a third party for collection purposes. At this time you may also be responsible for any collection fees acquired. A \$40 fee will be added to your account for any returned checks.

Again, thank you for choosing us as your dental office. We appreciate your confidence in us and the opportunity to serve you. If you have any questions or concerns regarding our financial policy, please feel free to ask us.
